**These experiences are not available to the general public!**

Today you have a complete free day to explore Los Angeles.

**OPTIONAL TRIP TO SANTA MONICA (OWN EXPENSE)**

The world-famous Santa Monica Pier offers a variety of entertainment and shopping including Pacific Park amusement park; Heal The Bay Aquarium; an historic 1922 Carousel plus specialty shops/carts, eateries, an old-fashioned soda fountain, and full-service restaurants. Drawing locals and world travellers alike, Downtown Santa Monica is a popular Southern California coastal destination, minutes from beaches and the Pacific Ocean. The world-famous Third Street Promenade is known for its weekly farmers' markets, fabulous dining, terrific shopping and engaging street performers

**OPTIONAL BIKE RIDE ALONG VENICE BEACH (OWN EXPENSE)**

Southern California's quintessential bohemian playground, **Venice Beach** is a haven for artists, New Agers, homeless people and free spirits of all types. This is where Jim Morrison and the Doors lit their fire, where Arnold Schwarzenegger pumped himself to stardom and where Julia Roberts and Dennis Hopper make their homes today. Life on Venice Beach moves to a different rhythm and nowhere more so than on the famous Venice Boardwalk, officially known as Ocean Front Walk. It's a nonstop Mardi Gras of fortune tellers, street musicians and characters of all colors, shapes, and sizes

This is where to get your hair braided, your karma corrected and your back massaged qigong-style. Encounters with hoop dreamers, a Speedo-clad snake charmer and a roller-skating Sikh minstrel are pretty much guaranteed, especially on hot summer days. The Sunday-afternoon drum circle draws hundreds of revelers for tribal playing and spontaneous dancing. Not far from the boardwalk, find bodybuilders pumping iron at Muscle Beach - a gated area containing weight lifting and gymnastic equipment - where Schwarzenegger used to be a regular. For a break from the madness, head couple of blocks away from the beach, where you'll find a series of narrow canals connected by one-lane bridges that thread past eclectic homes where ducks preen and locals lollygag in little row boats

**OPTIONAL DISNEYLAND RESORT, CALIFORNIA (OWN EXPENSE)**

**Disneyland® Park**

Welcome to the place where imagination is the destination. For young and old, big and small — it's the happiest place on earth! Come build memories that last a lifetime as you discover the wonder of this magical, fantastical world. When you enter one of the Lands that comprise Disneyland® Park, stories come to life around you, immersing you in tales from some of your favourite Disney films

**Main Street, U.S.A.** is the entrance to Disneyland Park. Stroll down the street where turn-of-the-century architecture and transportation recreate a bygone era. Be sure to board a vintage vehicle for a ride back in time and then marvel at The Disneyland Story presenting Great Moments with Mr. Lincoln. Before you leave, don't forget to visit the Emporium, an old-time Victorian general store filled with all kinds of Disney memorabilia

**Fantasyland**, located beyond Sleeping Beauty Castle, is where you can meet the heroes and villains of your favourite Disney stories. Encounter princesses from the royal realms of Disney films such as Snow White, Sleeping Beauty and Cinderella. Step into their enchanting stories about the triumph of true love. Sing along with a classic song and sail past the pageantry of "it's a small world". Take a spin in a tea cup or fly over London with Peter Pan. Revel in the enchantment that surrounds you!

**Tomorrowland**. Ready your rockets as you blast into the twin orbits of innovation and exploration at Tomorrowland! Rocket into the outer reaches of darkest space on Space Mountain and battle galactic bad guys in Buzz Lightyear Astro Blasters. To infinity and beyond!
